CHIEFS AGREED

Roosevelt Again Stresses Allied Offensive Planned To Relieve Russian Army

By J. F. SANDERSON

WASHINGTON, Oct. 13.—(CP)—The high command of the United Nations has agreed on "the necessity of diverting enemy forces from Russia and China to other theatres of war by new offensives against Germany and Japan." President Roosevelt announced last night.

The President made this direct reference to a series of scattered second fronts in a broadcast speech in which he announced his belief the United States draft law should be amended to drop the minimum induction age from 20 to 18 and his further belief that the time has come when manpower in the United States must be rationed to industry and agriculture.

After deriving what he called "typewriter strategists" for attempting to influence the course of the war while not in possession of the military facts, the President said, "We, therefore, will continue to leave the plans for this war to the military leaders."

Outlines Military Command

He outlined the top-level military command of the United Nations—the joint staff of the army and navy in Washington, limited to American service chiefs, and the combined chiefs of staff committee, also in Washington, which is represented the United States, Britain, Canada, Russia, China, the Netherlands, Poland, Norway and the other British dominions.

"NO WEAKNESS"

Churchill, in War Summary, Taunts Hitler For Fears, Cites Resolve of Allies

By NOLAN NOBGARD

EDINBURGH, Oct. 13.—(AP)—Prime Minister Churchill gave Britain yesterday an assessment of two-months' Allied war effort which included the transport to these isles of the most numerous United States troops yet to arrive and declared the United Nations had reached a "stern and sombre moment" in which they must balance wisdom with

daring.

F.D.R. Requested To Protest on Laval Atrocities

WASHINGTON, Oct. 13.—(AP)—Representative Emanuel Celler (Dem.-N.Y.) made public yesterday a letter in which he requested President Roosevelt to protest against the "Laval atrocities" in France. "The whole world stands aghast at the continued pogroms and persecutions of helpless Jews in unoccupied France," Celler wrote. He urged the President to "call Pierre Laval to task and beseech him to cease his cruelties."

Russia's Caucasian armies were officially reported to have thrown back the Germans in the critical struggle for the Grozny oil fields today, while in the 50-day-old siege of Stalingrad a Nazi infantry regiment led by 50 tanks advanced slightly in a costly renewal of the drive toward the Volga.

Breaking a three-day lull, the Germans launched a series of attacks amid the skeleton ruins of Stalingrad, but the Russians declared their lines held firm and frustrated a Nazi attempt to smash into a northwest factory district.

For the third consecutive day, Nazi field headquarters made no specific mention of the trend of fighting inside the city, declaring merely:

"Local attempts of attack made by the enemy were nipped in the bud by German and Hungarian troops respectively in the area of Stalingrad and on the Don front."

NO GAINS CLAIMED

Even the broad reference to "the Stalingrad area" contained no claims of Nazi gains or even of gains by the Russians.

Battlefront reports said the Germans now were attacking only in the area of the city, but as many as five divisions previously had been in the area.

Dispatches said Russian soldiers were muffled in great coats against the chill of approaching winter, and photographs of long lines of German prisoners showed they were wearing their winter uniforms.

Nazi headquarters also said weather conditions were becoming worse.

Pravda said Red army troops still held the Stalin tank plant, Stalingrad's largest industrial works, and reported that damaged tanks were being repaired inside the factory as German shells screamed overhead.

REDS SCORE GAINS

In the central Caucasus, Soviet dispatches reported the Germans moved fresh divisions and tank columns into the battle, "straining to advance" towards the Grozny oil centre, but Soviet counter-attacks scored gains in a number of areas.

In the Dnieper corridor north-west of Stalingrad, where Marshal Semenov's armies have been pressing a relief counter-offensive along a 100-mile front.

Operations are described as a combination of trench fighting and the use of heavy armour.

GREAT NIPPON

FLEET SAILS TO SOUTH PACIFIC

LONDON, Oct. 13.—(CP)—A Reuters News Agency dispatch from Chungking today quoted a Chinese military spokesman as saying that a Japanese fleet, including four aircraft carriers and seven battleships, was sighted "some time ago" steaming toward the South Pacific.

"A similar report of such a large scale Japanese naval movement was current several weeks ago."

WYBURN, Oct. 13.—(CP)—Reuters reported from Johannesburg today that United States troops arrived recently in the Union of South Africa and had visited Johannesburg. Reuters said the visit was an official one and that the troops were taken on a sight-seeing tour and entertained at sea by the mayor.

Wendell Willkie Chats With Hon. James A. MacKinnon

—Photo by Leo McKinnon

It looks as if Wendell L. Willkie, personal representative of President Roosevelt, had just told a good one to Hon. James A. MacKinnon, Canada's minister of trade and commerce, for the latter is smiling broadly. The picture was snapped as the famed American political leader chatted with Mr. MacKinnon in Mr. Willkie's suite at the Macdonald hotel Monday night. Mr. Willkie was officially welcomed to Canada on behalf of the Dominion government by Mr. MacKinnon. It was the first halt on Canadian soil for Mr. Willkie after a plane trip of more than 30,000 miles to all the world's main battle fronts. The Willkie party left Tuesday morning for New York in a huge Liberator bomber.

Germans Asked

Quit Chaining

Of Prisoners

LONDON, Oct. 13.—(CP)—Prime Minister Churchill announced today that Germany had been requested to rescind her action in shackling British and Canadian prisoners and that if the Nazis agreed Britain immediately would cancel her reprisal measures.

Mr. Churchill said the Germans violated the Geneva convention when they chained 173 prisoners taken at the Canadian-led raid on Dieppe, Aug. 19 and that representations had been made to Berlin, through Switzerland, urging the Nazis to desist.

If the Germans will, he continued, "the counter-measures of similar nature which the British government felt themselves forced to take will immediately be withdrawn."

FIRST REPORT

It was the Prime Minister's first report on the negotiations since Germany announced last Friday that the Britons and Canadians had been tied up for alleged binding of the hands of Nazis seized in raids on Dieppe and Sark Island, Britain and Canada relations by letter-fettering.

Today's

War Moves

By LOUIS F. KEEBLE
British United Press

German propaganda, as President Roosevelt pointed out last night, has shifted to the defensive. Some puzzling statements are coming out of Berlin. One theme is that Germany is going from the offensive to the defensive.

One is a constant reiteration of the theme that "time is working for the Axis."

Putting the two together, it seems almost as though the Germans are losing the expectation of victory by force of arms and hope now to consolidate their gains in the East.

MINNEAPOLIS, Oct. 13.—(AP)—Wendell Willkie, on the homeward leg of an aerial tour of the world's battlefronts, arrived here at 1:22 p.m., M.D.T., today.

Wendell L. Willkie, tousle-haired personal representative of President Roosevelt, who has gathered facts, figures and findings from the far-flung battle fronts of the world and from leaders of the embattled nations forming the United Allied front, spent Monday night in Edmonton.

The husky, genial, fact-finder extraordinary from the corn husking state of Indiana, swooped down from the northern skies at Edmonton's modern airport in a giant four-motored Liberator bomber that has carried Mr. Willkie and his party on a record-shattering flight of more than 30,000 miles to every hot spot in the great struggle against the Axis.

Twelve in Globe-Circling Party

The former Republican candidate for the presidency of the United States was one of 12 who have made the long hazardous plane flight over battlefields where enemy gun-fire blazed in agony beneath them; over the peaks of grim, ice-clad mountains, and across the desolate wastes of Mongolia.

They are now on the last legs of a flight that has carried the party a distance greater than the total circumference of the earth.

The distinguished visitor left, Edmonton at 7:30 a.m. Tuesday for New York City, by way of Minneapolis, where it was planned to make a brief halt.

Willkie Healthy, in Fine Spirits

Arriving here from Fairbanks, Alaska, at about 7:30 p.m. Monday, Mr. Willkie was in the best of health and spirits, at this stage of his record-breaking tour.

Hon. James A. MacKinnon, minister of trade and commerce, extended an official welcome to Canada on behalf of the federal government to the great American statesman. Meeting Mr. Willkie in the latter's suite at the Macdonald, soon after the party arrived, the two had a long and extremely interesting talk.

Mr. Willkie was the personification of courtesy and goodwill to reporters who interviewed him soon after his arrival.

Air Mail Being

Considered For

Men Overseas

OTTAWA, Oct. 13.—(CP)—Canada must consider the establishment of a trans-Atlantic air mail service, probably in co-operation with the United Kingdom, to give service to those in the armed forces overseas, Postmaster General Mulock told a press conference today.

Col. Mulock, back today from a flying visit to the United Kingdom, said the question of priorities in equipment and personnel required to operate a trans-Atlantic air mail service had to be considered.

"But I think we will have to have our own air mail over the Atlantic to maintain contact with the men overseas," he said.

WORK WITH BRITAIN

The service had to be considered in association with the United Kingdom so there would be the utmost efficiency in the movement of mail from Britain and other areas where the machines were returning to Canada.

"The matter is under immediate consideration," said Col. Mulock. "The chief question is the supply of men and equipment."

Airplanes now crossing the Atlantic were heavily laden and spaced on American machines were being more and more occupied with mail for United States soldiers overseas.

Col. Mulock said his visit overseas had impressed him with the importance of men and equipment.

2 Cruisers

Damaged in U.S. Attack

WASHINGTON, Oct. 13.—(AP)—The navy department announced today that United States marines had succeeded in enlarging their positions on Guadalcanal Island in the Solomon Islands during two days of offensive fighting in which the Japanese had "many casualties."

Announcement also was made of the destruction of 15 Japanese planes, damage to two enemy light cruisers, and loss of two United States planes in operations on Oct. 5 and 11.

The Marines' offensive was the first such action reported in the Solomon since the early days of their invasion which began Aug. 7. Announcement of the damaging of two enemy cruisers, and loss of the number of Japanese ships which have been reported sunk or damaged during the Solomon campaign and the destruction of 15 Japanese planes raised to 260 the number of enemy aircraft wrecked in the Solomons.

9 SHIPS LOST TO DATE

Unofficial reports based on Navy announcements show the United States has lost nine ships in the Solomon campaign, and has had one having occurred on the night of Aug. 5 but only announced by the Navy yesterday. This was the loss of the heavy cruisers, Vincennes, Astoria and Quincy.

The offensive operations of the Marines were carried out in the face of considerable enemy resistance. It was clearly seen in the communiqué noted that the Japanese had suffered serious casualties and also because it has been reported on several recent occasions that the enemy was reorganizing its units in the Solomon jungles.

These reinforcements apparently have been sent to the area against which the Marine offensive was directed.

No Information Will Be Divulged On Chaining Nazis

U.S. ANNOUNCEMENTS

3 Heavy Cruisers
Sunk in BombersFour Axis Subs
Are Damaged in
Atlantic Fight

LONDON, Oct. 13.—(CP)—

A quartet of little Norwegian corvettes and a British destroyer that led them have seriously damaged four Axis submarines and captured several others in a 48-hour battle in the Atlantic, the admiralty announced yesterday.

The U-boat "Night Hawk" attacked in relay of as many as seven at a stretch by day and night. The corvettes sighted submarines on the surface 18 times during the day and night hours. The corvettes themselves delivered 33 attacks, it was said.

The destroyer Viscount went after the U-boats nine times and the corvettes made several darts, but vain attempts to ram submarines, so hot did the battle become.

"UNCANNY SKILL"

La-Cmdr. J. V. Waterhouse, the destroyer commander, said the Norwegian showed "uncanny skill" in locating the attacking submarines.

There was an officer high on the most of each Corvette, and every one on deck worked as a lookout and "whenever the ship, 'salvo' came up I had only to give the bearings to find a submarine," he said.

The Corvette H.M.S. Potentilla dashed up as one surfaced enemy U-boat, and dropped a circle of depth charges.

After only a 12-minute battle, the Corvette sighted and pummeled enemy boat only 300 yards away and let fly with her guns, scoring several hits. She set out to ram the submarine, but missed by a few feet at the sub's own volition. A pattern of depth charges was dropped, this time around the coming tor.

Another submarine attempted to crash dive when the destroyer overtook it. A 30-degree angle of the boat's bow tipped up over the surface, and the destroyer's depth charges which were dropped at short range "probably finished" the admiralcy said.

MAIL BOXES MOLE

"The officers told me that a mail from home was as good as a four leaf clover in adding to the morale of the troops," Col. Mulock said.

Since the beginning of the war over 35,000 bags of mail and parcels had been lost due to enemy action—only about three per cent of the total.

Units were subscribing for Canadian newspapers for the men. Canadian could no longer wrap up magazine and newspaper and send it to men overseas, but the restriction on those sent from the offices of publication.

SUMMARIES PROVE HIT

"We found in the United Kingdom that men wanted some magazines and pictures and some magazine publications to be read when they had been accustomed in Canada," Col. Mulock said.

He said that the British government had been asked to supply some of these publications should be released.

Col. Mulock said special news summaries appearing in some Canadian newspapers, directed particularly to these overseas men, were popular with the troops.

"The Canadians over there are in great form," said Col. Mulock. "Everyone agreed that the Dempsey show improved morale tremendously, and the men appeared to be in excellent condition."

Although the impressive victory of No. 3 "M" Depot over the E.A.C. on Monday night came as somewhat of a surprise, there was certainly no doubt as to which was the top team last night, for the Aircrew held off for most of the 60 minutes.

It was the second win in succession for the R.C.A.F. Flyers, who, under the leadership of Coach "Jack" James, crew the second playoff berth. The two clubs are now even for the season, each having a pair of triumphs and the next of the best-of-three series slated for Friday night is thus given an additional interest.

The R.C.A.F. squad is a different looking aggregation with Johnny Dutchak. The former Maple Leaf is also a glutton for war, as last night's game made the third game in four days, but he was hitting just as hard as ever and was a consistent ground gainer all night. In addition he played through for the first fourfifths, the one that really stopped the E.A.C.

The fans have been accustomed to seeing Ken Horton, the Vancouver boy, doing fine ball carrying in every game so far, but Ken was invited along with Jim Fleming, another outstanding member of last year's Canadian Athletic Club's entry in the local juvenile league. Ken Horton ran the kick-off for the first time, and his play was excellent. He was a 20-yard galleron runner and his kicking was perfect. Paul Kirk's boys were not rolling as usual last night, their customers being lacking. Del Pettinello could only be put in for a few minutes and Jerry Wiggins was unable to play. Glenn Gray, in the first time this season, did some very valuable work in the line.

Boxla Series Extended

New Westminster Upsets Combines 14-8 in Third Game

MAPLE LEAF GARDENS, TORONTO, Oct. 13.—(CP)—Coach Jack Wood's Salmonbellies, a great team in a great New Westminster tradition, changed the entire complexion of the Mann Cup finals by conquering Mimico-Brampton Combines 14-8 Monday night in the third instalment of their best-of-five series for the lacrosse championship of Canada.

Surprised to the front a little more than a minute after play started, Salmonbellies carried off a convincing victory by outscoring the Combines all the way and outplayed them in every respect the second.

Combines finally missed the netting magic of veteran Bert Large, replaced in the Mimico-Brampton role for last night's game by a new player, Mike West. Fele Ahnau. But even the change in goaltenders failed wholly to explain the amazing New Westminster resurgence. They never looked anything remotely like the Salmonbellies club which bowed to Combines 10-7 in the first game of the series and came again at seams in losing the second 15-0.

SCORING LEADERS

A couple of great team combinations—Linc Jim and Nephew John Douglas of New Westminster and Brothers Arden and Ken Dixon of Combines—waged a personal duel for scoring honors before the paid attendance of 2,380. Arden Dixon, playing his second game of the series, scored four goals to take individual honors while Brother Ken had three. The only other Mimico-Brampton scorer went to Flash McLean.

The five goals scored by the Douglas family—three by John and two by Jim—boosted their combined record for the series to 14. Art Pruden scored three for Salmonbellies. Clayton "Blackie" Kirk, Marcus and the other four scored one each.

COMPLETE REVERSAL

Combines entered last night's contest overhurling victory in the game and the series in straight games. But New Westminster representing a city which has sent its teams into the Mann Cup finals in 12 years, the cup was again won by a team from the west. Donald Mann of Toronto has been up for competition, made that theory look foolish and was outplayed and outscored by the team that they had beaten in the first period, 7-4, and the end of the second and third periods 14-1 when the final score was 22-1.

AIRMEN TAKE LEAD IN JUNIOR PLAYOFF

3 "M" Depot Trims E.A.C. Squad 3-3

Fine Blocking Is Feature of R.C.A.F. Win

By CLARENCE MOHR

The R.C.A.F. junior football team is one up on the E.A.C. in the chase for the city title. Last night, Clarke Stadium in the first game of a best two-of-three series, the Airmen prevailed over the Clubmen 13-3.

Playing grand football all the way, the Flyers showed a marked superiority over their opponents in all departments except passing. They presented a solid front wall featuring Gordon Ryver and Art Michuk, and their ball carriers were given great blocking when on the attack.

The E.A.C.'s on the other hand were given much to better advantage on other occasions this season. They seemed to lack a lot of regularity and several lines were guilty of some bad ball handling.

The victors started off the attack right after the opening whistle. Ken Horton ran the kick-off for the first time, and his play was excellent. He was a 20-yard galleron runner and his kicking was perfect. Paul Kirk's boys were not rolling as usual last night, their customers being lacking. Del Pettinello could only be put in for a few minutes and Jerry Wiggins was unable to play. Glenn Gray, in the first time this season, did some very valuable work in the line.

LOUIS ANNOUNCES
Intention to Quit
Prize Fighting

OMAHA, Oct. 13.—(AP)—Heavyweight Champion Joe Louis, in Omaha for an exhibition as a member of the Fort Riley, Kan., drill team, indicated Sunday that he plans to return to prize-fighting. "No, I really don't care much," he replied, when asked if he had any desire to resume his career.

"By the time this war is over, I'll be in my 30s, and that's too old for a fighter. I'm too old for it now," Joe said.

The heavyweight title also indicates he has no particular desire to return to prize-fighting. "No, I really don't care much," he replied, when asked if he had any desire to resume his career.

Louis made his statement to an Associated Press reporter between bouts of a football game.

He would be quoted, Joe said, "Staying to go to the States. I don't show any regret in viewing the end of what has been one of the most sensational careers in the history of the prize ring. He doesn't think of it as a fight that he has been champion long enough, that it is time for him to retire, and let someone else take over."

JOE'S MANAGER DOUBTS REPORT

ROXBOROUGH, Oct. 13.—(AP)—John Roxborough, manager of Joe Louis, said Sunday night he did not believe the heavyweight champion would make a definite decision on retiring from the ring until after the war.

Roxborough, expressing surprise, said he was sure that Louis' statement in Omaha did not mean that Louis would retire.

"All I know is what Joe said in New York after the Con fight was called off," Roxborough said. "He said then if the war went on for two more years he might be too old for any more fights, but if it ended before then he was sure he could have at least one more fight."

CLAIM WILL NOT CONVINCE TITLE

PITTSBURGH, Oct. 13.—(AP)—John J. Heenan, manager of the heavyweight contender Cpl. Billy Conn, said Monday that as far as he and Conn are concerned, Joe Louis is still the champion.

Commenting on the heavyweight champion's announcement that his "fighting days are over," Ray said, "We're not claiming anything. Joe Louis is still the champion with us. We're not in a fight with him, either now or after the war."

Tommy Anderson Likely Army Coach

CALGARY, Oct. 13.—(CP)—National League's most valuable player, Tommy Anderson, is expected to be named coach of the Calgary team of the Calgary Football League game before a crowd of about 5,000 here Monday.

The triumph sent Anderson into first place in the three-team circuit, with Flyers in second and University of Manitoba in third.

Rite Spot Lizzie Second

Ordnance Corps Entry

First in Model T Race

An estimated 7,000 fans at the exhibition grounds race track Monday cheered Sgt.-Major J. H. Rees, Royal Canadian Ordnance Corps, Calgary, as he flashed past the judges' stand the winner of the first Model T Northern Alberta Championship.

More than a lap behind him, Wetsukwin and Edmonton entries battled through a bitter last lap drive for second place, with the "Rite Spot" car gaining the second bracket by a very narrow margin from the Arctic Oils car entered and driven by Ted Rees of Wetsukwin.

Rees' car, a 1931 Ford, prevailed throughout the afternoon, but a sharp wind which steadily increased speed, the grandstand and bleachers, somewhat before the final event of the day was run off.

Several Terriers May Get Chance With N.Y. Rangers

WINNIPEG, Oct. 13.—Followers of Lester Patrick's hockey school believed that several stars of Purge La Prairie Terriers, Dominion junior hockey champions, have a good chance of jumping to New York Rangers National League team.

Patrick, head of the Rangers organization, had nothing to announce regarding his Rangers or the amateur team from New York Rangers in the United States amateur league. However, railbirds believe that if certain players show up with passports their prospects are bright.

Calgary Airman Wed Saturday St. Stephen's

Cousin of Mrs. A. S. Tuttle of Garneau, Miss Olive Gladys Lawrence, daughter of Fred D. Lawrence of Fort Saskatchewan, was married Saturday morning at St. Stephen's Church, Calgary, to Mr. Arthur McLean of Calgary, son of Mr. and Mrs. John McLean of Lonsdale, Alta. The wedding took place at 11:30 a.m. in St. Stephen's Church, officiated by Rev. Dr. A. S. Tuttle officiating.

The bride wore a gown of white silk. Her chapel veil was held in place by a wreath of white garden roses and she carried an arm bouquet of carnations.

Miss Evelyn Lawrence, her sister, was first attendant, wearing a super-length gown of turquoise blue and she carried a bouquet of carnations.

Brother of the bridegroom, A. B. McLean, was best man.

Mrs. Tuttle played the wedding music.

After the ceremony, 40 guests gathered at the home of Mr. and Mrs. John S. Tuttle, 112 12th street, for a reception. Mrs. McLean wore a turquoise blue suit with corsage of pink carnations. Mrs. S. Tuttle chose an ensemble designed with navy blue fabric. Her veil was red roses to the bride.

Mrs. Evelyn Lawrence, younger sister of the bride, also assisted with the receiving.

The bride and party will live at Calgary.

Elyse Benson Is Married At Vancouver

From Vancouver comes word of a wedding which took place Saturday in the chapel of Christ Church cathedral at which Miss Mary, daughter of Mr. and Mrs. G. L. Benson of Edmonton and Mr. F. Benson of Vancouver, was married to Mr. Elyse Benson of Vancouver, son of Mr. and Mrs. J. Benson of Vancouver.

The marriage was solemnized by the Rev. Dean C. Swanson.

John D. Hare, of Vancouver, was the best man, and the bride wore a red and white ensemble of sailor blue and white accessories.

Assisted by the bride, who carried a prayerbook used by her mother at her wedding. She wore a corsage of sweetheart roses.

Attending the wedding breakfast were immediate relatives and friends of the bride couple.

"The couple left for a wedding trip to Victoria, before taking up residence in Vancouver."

Traveling, the bride wore a tailored ensemble in navy with matching accessories.

Layton-Mara Tupitals Held St. Stephen's

In keeping with wartime simplicity was the marriage, performed Saturday afternoon at St. Stephen's Church, Calgary, of Kathleen, only daughter of Mr. and Mrs. A. Mara, and Mr. Layton, son of Mr. and Mrs. Layton, of Edmonton. The Rev. Dr. C. H. Ramsey officiated.

The bridegroom was graduated in pharmacy from the University of Alberta.

The bride chose a frock of gold wool, contrived with gold thread design. Her accessories were of coral-brown and she wore tall, narrow shoes and long gloves.

Miss Mildred Heywood, with corsage of bronze chrysanthemums, was maid of honor.

Brother of the bridegroom, A. B. Mara, was best man.

Mrs. Tuttle played the wedding music.

After the ceremony, 40 guests gathered at the home of Mr. and Mrs. John S. Tuttle, 112 12th street, for a reception. Mrs. Mara wore a turquoise blue suit with corsage of pink carnations. Mrs. S. Tuttle chose an ensemble designed with navy blue fabric. Her veil was red roses to the bride.

Mrs. Evelyn Lawrence, younger sister of the bride, also assisted with the receiving.

The bride and party will live at Calgary.

Stagettes Hold Saturday Dance Masonic Temple

Pumpkins and sheaves of green were arranged throughout the ballroom at the Masonic Temple on Saturday evening, when nearly 250 guests gathered for a "Harvest Ball" at the Stagettes.

In charge of arrangements were Miss Marie Lawrence, Miss Vera Wollon and Miss Doris Lucia, of the Stagettes.

Guests were seated at round tables, and the music was furnished by the Stagettes.

Alberta District News In Brief

Game Lover on Hunting Trip In Rimby Area

RIMBEY—The man who in 1908 brought the first Hungarian partridge to Canada was in this district recently on a hunting trip. He is Fred Green, Calgary oil man, and he was accompanied by Mr. Allison, Calgary barrister, and Mr. Allison.

Mr. Green set the birds free near Midnapore south of Rimbey, and has watched them increase for 34 years. He holds a game license for the district to him by Premier John Bracken of Manitoba for his contribution to wild game in Canada. He is a veteran member of the Fish and Game Association.

Red Deer Plans War Loan Drive

RED DEER—At a meeting held recently the Red Deer War Loan Committee made preliminary plans for the Victory Loan campaign and will be assisted by George H. Lindsay, secretary of the local War Finance Committee. Stewart Bros. are again giving space to the committee.

Five service organizations in the city—the Canadian Legion, the Elks, the Rotary Club, the Lions and the Kiwanis will be asked to provide salesmen for the campaign.

Livestock Sale At Lloydminster

LYDDMINSTER—Gust Eichen of Livingdon paid \$255 for the Hereford bull "Reactor" owned by S. R. Swindell, Artland, Sask. at the first annual fall sale of livestock here recently. Other top prices included \$75 and \$60 paid for the provincial department of agriculture for two bull calves owned by O. A. W. Loughly, Lloydminster. \$20 paid by Harold Elliott, Pelly, for a yearling steer owned by L. G. Moffat, Riverbourse, and \$15 paid by George Bennett for a sow sold by M. Mercer, Mannville.

Gleaned From Rural News

RIMBEY—Robert Stoner, who eight miles southeast of Rimbey, has marketed 65 crates of raspberries this summer and recently made a gift of a large bowl of the fruit to L. C. Newson, editor of the Rimbey Record. Mr. Stoner reported that he harvested a good crop of berries despite two killing frosts.

PERRYVALE—A. Aloisio, municipal councillor, suffered severe facial injuries recently when he met with an accident while operating a sawmill outfit on a neighbor's farm. He is receiving treatment at the Royal Alexandra hospital. Mr. and Mrs. Hayton, Perryvale old-timers who now reside in B.C., were recent visitors here.

Community Chest Drive Continues

Community Chest campaign returns stood at \$25,940 Saturday morning and indications pointed to a possibility of the campaign exceeding its objective by the end of the day. The objective is \$50,000. The total is made up by the following contributions from each of the three divisions under which the canvassers worked during the last three weeks: Industrial-commercial division, \$12,484; residential division, \$8,884; business zone division, \$4,572.

Total number of contributions made to date is 5,941 but the actual number of contributions exceeds 10,000 as employee groups and staffs pooled their contributions to constitute one donation in each instance.

Pastor Cites Need For Thankfulness

We have much to be thankful for, and there should be no time for complaining. Dr. R. T. Scragg told his congregation at Wesley United church in a special Thanksgiving service, Sunday morning.

The grounds for gratitude are due to the blessings of God, and we should give thanks for life, home and country—especially gratitude for Canada and our Allies," he said.

We have cause to celebrate even in time of war, the minister continued, and should be grateful for our abundant harvest and for the responsibilities given to us.

Dr. Scragg admitted that we have many burdens to bear but explained that we should bear them gladly because the flag of freedom still flies in Canada.

"All of our blessings involve individual responsibility, and each one of us must discover what we owe to God and to our country," he concluded.

\$15,000 is Goal in Bashaw War Loan

BASHAW—A total of \$15,000 has been set as the objective for the new Victory Loan Drive in this district. The following organizations have been named to direct the campaign: J. R. Insurance Group Enlarges Scope

Because of the large territory served by the Edmonton office, the Unemployment Insurance Commission, it has been found necessary to open another sub-office, William Carruth, director, announced Tuesday.

Mr. Carruth returned Friday from Edson, where the divisional office will be located. The director of the Edson branch will be named later, he said, but it is probable that one of the men from the local office will be appointed.

Edson was selected for the new office because of several important industries located there. It is a divisional point for the C.N.R. railways; there are many logging camps in the vicinity, and a coal mining center.

The opening of this unemployment office increases the number of workers making a total of four sub-offices working under the main Edmonton office. The others are located at Red Deer, Dawson Creek, and in the Gibson Creek area.

Bureau Seeking To Aid Housing

Two offices designed to accept applications for accommodation have been set up by the emergency accommodation bureau.

Unattached girls and women, serving men's families, requiring immediate transient accommodation and women and children requiring transient accommodation, should apply to the Noonsy Registry, Y.W.C.A., 101 street, phone 22316.

All others seeking accommodation should apply to the Emergency Accommodation Bureau, Edmonton Chamber of Commerce, Ground Floor, 14-15 and 16 Building, Edson, phone 75833. This office will be open daily until 4 p.m.

Women Working Alongside Men On Harvesting

ENDING—District women are working shoulder-to-shoulder with their husbands with harvesting work here. Mrs. J. F. Tucker is hauling grain, as well as doing her housework and milking three cows; Mrs. William Hogg is hauling grain with her husband; Gladys Kaleneth is shelling grain on the farm of W. E. A. Weather, while Bill Webber is cutting, and R. H. Newell is also assisting on the farm in the afternoons and evenings; Mrs. Ralph Tucker is checking grain on her husband's farm.

FERINTOSH—The following officers were elected by the Young People's Society of the Nazarene Church here: Leslie Olsen, president; Albert Theron, vice president; Mrs. Albert Theron, secretary-treasurer; Miss Mary Bean, chairman of the music committee; Mrs. L. Campbell, chairman of literature and publicity; Mrs. W. B. Robinson, chairman of the social committee.

Veterans View Problems With Broader Vision

A new breadth of vision is being developed by the membership of the Army and Navy Veterans of Canada, as a result of the present war, and the new problems confronting the servicemen of this war.

Mr. Howard, who is postmaster at Selkirk, has been Dominion president for 12 months. In the first Great War he joined up with the 22nd Bn. of Winnipeg, transferring to the 2nd Bn. C.E.F. in France. Before coming to Canada, prior to the last war, he served with the Duke of Cornwall's Light Infantry in the Imperial Army.

The Army and Navy Veterans of Canada have one main objective, he said.

That is the formation of a national veterans' council, on which representatives of all chartered veterans' organizations will sit and speak in united voice for the veterans of Canada.

So far the Army and Navy Veterans have succeeded in lining up the amputation section of the war veterans, the blind ex-soldiers' organization, and the Canadian Pensioners' Association.

The Canadian Legion has not yet replied to overtures on formation of such a council.

The Army and Navy Veterans group has experienced a considerable growth in membership since the start of the present war. No separate division has been set up for veterans of the present war, but all men serving with the forces are eligible for membership and welcome to the club rooms.

OLD FRIENDS
Long a resident of Selkirk, Mr. Howard was a close friend of Joe Simpson, former Selkirk and Edmonton Eskimo hockey star.

Johnny Sheppard, also a former Selkirk resident, who later starred with the Eskimos here, and several other famed hockey players.

Sessions of the Army and Navy Veterans of Canada were held Sunday and Monday at the MacDonald Hotel. Mr. Howard's first visit to Edmonton.

Ship Executive Is Not Candidate

HALIFAX, Oct. 14 (CP)—H. B. MacMillan, president of Wartime Merchant Shipping, Ltd., in a statement yesterday said he is "not a possible candidate" for the Conservative party leadership.

Mr. Fisher stated that the proposition of removing the rails and using them for salvage is at present under consideration by officials of the C.N.R. and the C.P.R. who are co-owners of the line that was built a number of years ago.

GOOD PROGRESS
The provincial organizer returned recently from a trip along the Edmonton-St. Paul C.N.R. line to report good progress in most of the towns and rural areas in that territory.

Twenty-three points Mr. Fisher visited reported a total of 44 tons of scrap metal shipped, 279 tons on hand and 618 tons yet to collect before freeze-up.

Towns reporting their tonnage of metal collected to date are: Daugh, 20; Grubson, 22;

Unused Railway May Be Wrecked For War Metals

Seven thousand tons of steel and iron that at present constitutes the rails of an unused railway between Coronation and Youngstown may be taken up soon and used for salvage purposes. Edward C. Fisher, Alberta salvage campaign organizer, stated Tuesday.

Mr. Fisher stated that the proposition of removing the rails and using them for salvage is at present under consideration by officials of the C.N.R. and the C.P.R. who are co-owners of the line that was built a number of years ago.

Mr. Fisher reported also that the St. Paul-Bonnyville area has on hand 40 tons of rubber ready for shipment.

Arrange Blackout Hours on Oct. 18
Edmontonians and Northern Alberta's rural and town population will participate in a blackout at 9:15 to 10 p.m., Sunday, Oct. 18. William Muir, chairman of the public relations committee of the Northern Alberta branch of the national war finance committee, announced Tuesday.

"Prior to the blackout the day will be celebrated as a 'ceremonial day,' plans for which are now in the process of preparation."

In the 61 rural units of northern Alberta, Victory Loan campaign officials, headed by the public relations committee of each unit, will have charge of blackout preparations.

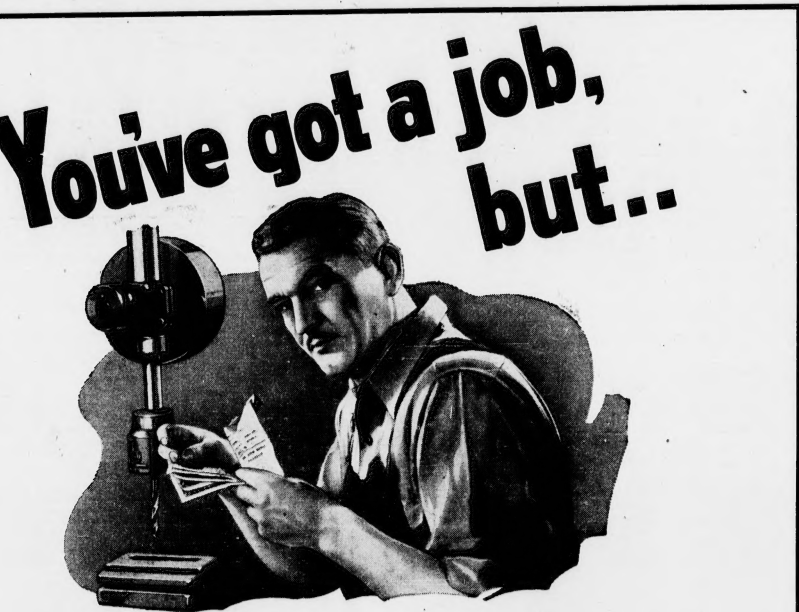

Miss Edith A. Nave, Edmonton, has been named assistant superintendent at the home. Until recently she was an inspector for the mothers' allowance board and the child welfare board.

Superintendent Appointed For Kiwanis Home
Mrs. Gertrude Phillips, Maidstone, Sask., has been appointed superintendent of the Kiwanis children's home to fill the vacancy caused by the resignation of Miss Hazel G. Mann, who resigned because of ill health. Miss Mann has been superintendent there for the past three and a half years.

Mrs. Phillips will assume her duties November 1. She is a graduate nurse, trained in England. She also is a graduate of the Institute for Children in London, and for a number of years served on the nursing staff at the Ponoka Mental Institute.

WIDE EXPERIENCE
The new superintendent took a special course at the Truby King welfare school at Toronto on children's feeding, and she has had considerable experience in children's club work.

YOU'VE GOT A JOB; SO HAS EVERYBODY ELSE. But what about after the war? You and everybody else will want a good job then.

Well, there is one way that you and everybody else can help to insure a good job after the war. That is for you and everybody else to save as much as you can out of your present earnings and buy Victory Bonds. Then you will have money to spend after the war for things that you can't buy now, or that you shouldn't be buying because they are not absolutely necessary. We refer to all luxury goods, and a host of other things that cannot honestly be called necessities in time of war.

Many firms that manufactured these goods in peacetime are now making munitions or other war supplies. After the war, the quicker they can switch back to making their peacetime goods, the sooner they will be able to carry on with peacetime employment.

So, you see that, quite apart from the patriotic appeal to save and Buy Victory Bonds, there are sound business reasons for doing so.

Authorize your employer to set aside a definite sum from each pay envelope to buy Victory Bonds. **DO IT TODAY.** The repayment of every dollar you invest in Victory Bonds, plus a fair rate of interest, is guaranteed by Canada.

ILSLEY STATES:

New Victory Loan Issue Will Offer 2 Maturities Covering 14 and 3½ Years

OTTAWA, Oct. 13.—(CP)—Canada's Third Victory Loan, with a "minimum requirement" of \$750,000,000 as its objective, will be offered in two maturities, Finance Minister Ilesley announced last night.

The bonds will open Oct. 19 and close on or about Nov. 7, with or without notice in the discretion of the minister, said the official statement.

The bonds will bear interest from Nov. 1. There are the maturities, optional with the subscriber:

14-YEAR ISSUE
A 14-year issue, maturing Nov. 1, 1956, payable at par at maturity, and bearing interest at three per cent.

A 3½-year issue, maturing May 1, 1956, payable at par at maturity, and bearing interest at 1.5 per cent.

The 14-year bonds will be callable at 101 during or after 1953 and will yield 3.06 per cent if held to maturity. The short-term issue will be non-callable to maturity.

Interest on both issues will be payable half-yearly.

The second Victory Loan last June was issued in three maturities instead of two. There was a 12-year issue bearing three per cent, a 10-year issue bearing 2½ per cent, and a 5-year issue bearing 1½ per cent.

Principal and interest on both third Victory Loan issues will be payable in Canadian dollars, principal at any agency of the Bank of Canada and the interest, with any charge, at any branch in Canada or any chartered bank.

The bonds may be paid for either in cash in full at the time of ap-

Two City Officers Win Promotions

Capt. Harold L. Hurdle, at present serving overseas with the R.C.S.C. of the Canadian Army, has been promoted to the rank of major, it was announced Tuesday by officials of M.D. No. 13, Calgary.

Maj. Hurdle, son of Mrs. Minnie Hurdle of 1009 81 avenue, was graduated from the University of Alberta in 1933 as an electrical engineer and was a member of the University of Alberta Contingent C.O.T.C. from 1929 to 1933. He was appointed a 2nd Lt. in No. 1 Construction Section of the R.C.S.C. in September, 1939, and proceeded overseas shortly afterward with that unit.

Another Edmontonian, whose wife resides at 1100 University avenue, Lt. Robert T. Hollies of the Royal Canadian Engineers, overseas, has been promoted in the rank of captain. Captain Hollies was appointed during the last Great War in France with the 46th Battalion and discharged in 1919 and is a graduate of the University of Alberta in engineering.

While the amount of the loan is officially placed at \$750,000,000, Mr. Ilesley, as the case of the two previous Victory Loans, has reserved the right to accept or to alter the whole or any part of any over-subscription in either or both maturities.

"This means," the minister said, "that \$200,000,000 represents our minimum requirement. But no subscriber, large or small, will be permitted to be disappointed."

The purpose of the money is as described in the prospectus: "To finance expenditures for war purposes. Canada needs money for war and I am confident that our people will respond to this appeal to such an extent as to achieve a new record. There is no safer investment for accumulated savings or current earnings."
